Version 2.0.0

SIRIUS Stiletto Personal Satellite Radios:
SL2, SL100, and SL10

Final - revised 12.12.2007
Preface

Copyrighted Broadcast Material

Several features of the Sirius Stiletto enable you to record and store broadcast content for playback. Broadcast content is subject to copyright laws, and distribution of copyrighted material is prohibited by law without the express permission of the copyright holder. To prevent unlawful distribution of copyrighted material, the Sirius Stiletto prevents you from electronically copying stored (recorded) songs or shows to another device.

1 Overview

SIRIUS Device Recovery (SDR) is a software application that will help you recover your Stiletto in the event of a complete system failure.

2 SIRIUS Device Recovery

If your Stiletto fails to start and displays the following error:

“Error. To recover, connect to a PC via USB (you may need to run the install CD)”

You will need to run the SIRIUS Device Recovery program, which is included on the My Sirius Studio CD-ROM. The Device Recovery program supports: Stiletto 2, Stiletto 100, and Stiletto 10.

If you have misplaced your MSS CD-ROM, you may download the SIRIUS Device Recovery program from http://www.sirius.com/mysiriusstudio

NOTE: Performing device recovery WILL ERASE the entire contents on your Stiletto: all music, Sirius recordings, channel presets and any user preferences. The Stiletto will be reset to its original factory state.

DO NOT UNPLUG OR DISCONNECT YOUR STILETTO DURING THE RECOVERY PROCESS; DOING SO WILL LEAVE YOUR STILETTO PERMANENTLY INOPERABLE.

2.1 Installing SIRIUS Device Recovery

To install the SIRIUS Device Recovery application:

1. Insert the My Sirius Studio CD into your CD-ROM drive in your computer and right-click to Explore the CD volume.
2. Double-click on the DeviceRecoverySetup.exe (also available as a download from the Sirius website listed above)
3. Proceed through the installer screens until you receive the “Finished” screen. You are now ready to use the Device Recovery application.
2.2 Entering Device Recovery Mode

If your Stiletto fails to start up properly or behaves erratically and Settings→Device→Reset and Erase does not resolve the problem, you can use device recovery to reinstall all Stiletto software. You will first need to put your Stiletto into device recovery mode, as follows:

1. Shutdown the Stiletto by holding down the power button for five seconds or more.

2. While holding down the Options and Display buttons simultaneously, release the power button to turn on the device. Keep pressing the Options and Display buttons until you see the message:

   “Error. To recover, connect to a PC via USB (you may need to run the install CD)”

3. You may proceed with device recovery, as documented in section 2.4 below.

2.3 Internet Connection Required

The SIRIUS Device Recovery program retrieves the latest version of software for your Stiletto from the Sirius website. You will need to be connected to the Internet before you begin the device recovery process. It is recommended that you connect to the Internet using a high-speed connection – DSL or better – in order to minimize the time to download the software, which can exceed 50MB.

2.4 Using Device Recovery

When your Stiletto displays the following error:

“Error. To recover, connect to a PC via USB (you may need to run the install CD)”

connect the Stiletto to your PC using the USB cable provided. The SIRIUS Device Recovery program will launch automatically and begin the recovery process.

If the program does not launch automatically and it has been previously installed, you may launch the program from its installation location: C:\Program Files\Sirius\Sirius Device Recovery:\

1. Double-click on SiriusDeviceRecovery.exe:
2. Connect your device to your PC.

Once the device is connected, the SIRIUS Device Recovery application will automatically begin and your device screen should immediately change to read: “Recovering. Please wait…”

**DO NOT TO UNPLUG OR DISCONNECT YOUR DEVICE DURING THIS PROCESS; DOING SO WILL LEAVE YOUR DEVICE PERMANENTLY INOPERABLE.**

3. The device and PC screens will change during the Device recovery process and will display a variety of update progress messages. After several minutes, your device screen should change to the white Sirius dog, then display “Starting Recovery” → “Receiving Software” → “Verifying software” > “Installing Software”. At the end of the software installation, your device will automatically restart and follow the standard startup process.

4. When the Device Recovery has successfully completed, your device will be showing the Home menu with Satellite Radio highlighted, and the Device Recovery application will show:
Note: The entire Device Recovery process will depend on the speed of your Internet connection; a typical recovery takes about 10 minutes to complete with a DSL-type Internet connection.

If you have further questions on the Device Recovery process, contact SIRIUS Customer Care at online at http://www.sirius.com/contactus.
3 END USER LICENSE AGREEMENT

SIRIUS SATELLITE RADIO INC.
END USER LICENSE AGREEMENT

This End User License Agreement (this "EULA") sets forth the agreement between you and Sirius Satellite Radio Inc. ("Sirius") for the use of the software in Stiletto Sirius satellite radio receivers (the "Receiver Software"), the My Sirius Studio computer software, and SIRIUS Device Recovery computer software (the "Computer Software" and, together with the Receiver Software, the "Software") and their use with Stiletto Series Sirius satellite radio receiver and accessories (the "Receiver") and Sirius' satellite radio service (the " Sirius Service").

In addition, for your use of the Sirius Service, you agree to be bound by the "Terms & Conditions of Service" set forth at: http://www.sirius.com/serviceterms (the "Terms and Conditions").

YOU ACKNOWLEDGE AND AGREE THAT YOU HAVE READ AND UNDERSTAND THIS EULA. BY USING THE RECEIVER AND THE RECEIVER SOFTWARE, CLICKING ON THE "ACCEPT" BUTTON TO INSTALL THE COMPUTER SOFTWARE, AND/OR INSTALLING, COPYING OR OTHERWISE USING THE COMPUTER SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA. IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, CLICK ON THE "CANCEL" BUTTON IF YOU ARE INSTALLING THE COMPUTER SOFTWARE SO THAT IT IS NOT INSTALLED, AND DO NOT USE THE RECEIVER.

1. GRANT OF LICENSE. Sirius hereby grants to you a non-exclusive, limited license to use the Software and any related documentation (the "Documentation"). You may: (a) use the Receiver Software in object code form only as fully integrated into the Receiver in order to operate the Receiver for its usual purpose, (b) use the Computer Software simultaneously on up to three computers and (c) copy the Computer Software for-back up and archival purposes; provided that any copy must contain all of the original Software's proprietary notices. Sirius, its partners and suppliers, including without limitation, Microsoft Corporation ("Microsoft"), Dell Products, LP, (f/k/a, ZING Systems, Inc.) on behalf of itself, Dell Inc. and each of the affiliates and subsidiaries of Dell Inc. ("ZING"), and their respective partners and suppliers, retain all rights not expressly granted herein, including without limitation, all worldwide patent, copyright, trademark, trade secret and other proprietary rights associated with the Software. You agree that Sirius’ partners and suppliers (including Microsoft and ZING) are third party beneficiaries of this EULA and may enforce your performance of its terms. This product is protected by certain intellectual property rights of Microsoft. Use or distribution of such technology outside of this product is prohibited without a license from Microsoft.

2. LICENSE RESTRICTIONS. (a) You must be at least 18 years old to assume the obligations set forth in this EULA. Minors may use the Software and the Documentation only if a parent or legal guardian assumes the obligations set forth in this EULA and thereby assumes full responsibility for the minor’s use of the Software and the Documentation.

(b) You may not: (i) permit other individuals to use the Computer Software; (ii) modify, translate, reverse engineer, decompile, extract source code from, disassemble (except to the extent that this restriction is expressly prohibited by law), reproduce, or create derivative works based upon the Software or the Documentation; (iii) copy the Software or the Documentation (except as permitted by Section 1(c)); (iv) rent, lease, publicly display, transfer, or otherwise transfer rights to the Software or the Documentation and/or (v) remove any proprietary notices or labels on the Software or the Documentation. Any violations of this Section 2(b) will immediately terminate your license to the Software and the Documentation.

(c) You may use the Software and the Documentation only in a manner that complies with all applicable laws in the jurisdictions in which you use the Software and the Documentation, including without limitation, applicable restrictions concerning copyright and other intellectual property rights.

(d) You may use the Software only for your private, non-commercial use. You may not use the Software in any way to provide, or as part of, any commercial service or application. Copies of content files, including without limitation songs and other audio recordings, which are stored and/or transferred using the Software, and which are protected by the copyright laws or related laws of any jurisdiction, are for your own personal use only and you may not publicly perform them or distribute them to third parties.

(e) By storing content on the Receiver, you are making a digital copy. You may not use the Receiver or the Software in an attempt to, or in conjunction with, any device, program or service designed to circumvent technological measures employed to control access to, or the rights in, a content file or other work protected by the copyright laws of any jurisdiction.

(f) The Software embodies a serial copying management system required by the laws of the United States. You may not circumvent or attempt to circumvent this system by any means.

(g) You shall not export or re-export the Software or the Receiver without the appropriate U.S. or foreign government licenses.

(h) MPEG Layer-3 audio coding technology licensed from Fraunhofer IIS and Thomson. Supply of the Receiver and the Software does not convey a license nor imply any right to distribute content created with this product in revenue-generating broadcast systems (terrestrial, satellite, cable and/or other distribution channels), streaming applications (via Internet, intranets and/or other networks), other content distribution systems (pay-audio or audio-on-demand applications and the like) or on physical media (compact discs, digital versatile discs, semiconductor chips, hard drives, memory cards and the like). An independent license for such use is required. For details, please visit http://mp3licensing.com/.

3. COMMUNICATIONS FEATURES; USE OF INFORMATION. (a) The Software includes functionality that may automatically communicate information to Sirius, its partners and suppliers over the Internet as part of its normal operation. The Software may
also contain user-visible features that interact and communicate with internet services operated by Sirius, its partners and suppliers. An initial list of the communications features is listed below. The communications features may be changed by any updates of the Software that you install. By installing and/or using the Software and any related updates, you agree to permit the installation and use of the communications features. You are responsible for any telecommunications or other connectivity charges incurred through use of the Software.

(b) Once you install the Software and/or connect the Receiver (wired or wirelessly), the Software may provide Sirius and its suppliers with information regarding the Receiver, including electronic identification number of the Receiver (the "ESN"). The Software may also provide Sirius and its suppliers with the following non-personally identifying usage information, including, but not limited to: Receiver hardware actions (e.g., keys pressed, reboots, crashes, upgrades, resets), the hardware and software revision numbers on the Receiver, the channels/streams of the Sirius Service that you set/delete as presets/favorites on the Receiver, use of parental controls, battery level, available space on the Receiver, connection method and signal strength. Sirius will not combine this utilization information with any personally identifiable information. Instead, this information will be collected and analyzed to evaluate overall performance of the software and the related products, for quality control and product enhancement purposes and to keep statistics on the aggregated anonymous use of the Software and/or the Sirius Service. Your personally identifiable information will not be collected in any way through this software, nor will your personally identifiable information held by Sirius for other purposes (such as your subscription information) be combined with this utilization data in any way.

4. DIGITAL RIGHTS MANAGEMENT. (a) The Software and the Device use the Microsoft digital rights management technology for Windows Media (“WM-DRM”) to protect the integrity of Sirius and third party content (“Secure Content”) so that the intellectual property, including without limitation, the copyright, in such content is not misappropriated. Portions of the WM-DRM software (the “WM-DRM Software”) use WM-DRM to transfer or play Secure Content. If the WM-DRM Software’s security has been compromised, owners of Secure Content (“Secure Content Owners”) may request that Microsoft revoke the WM-DRM Software’s right to copy, display, transfer, and/or play Secure Content. Revocation does not alter the WM-DRM Software’s ability to play unprotected content. A list of revoked WM-DRM Software is sent to your computer whenever you download a license for Secure Content from the Internet. Microsoft may, in conjunction with such license, also download revocation lists onto your computer on behalf of Secure Content Owners. Secure Content Owners may also require you to upgrade some of the WM-DRM components distributed with the WM-DRM software (“WM-DRM Upgrades”) before accessing their content. When you attempt to play such content, WM-DRM Software built by Microsoft may notify you that a WM-DRM Upgrade is required and then ask for your consent before the WM-DRM Upgrade is downloaded. WM-DRM Software used by third parties may do the same. You agree that Microsoft and other third parties may upgrade the WM-DRM Software without notice to you. If you decline an upgrade, you will not be able to access content that requires the WM-DRM Upgrade; provided that, you will still be able to access unprotected content and Secure Content that does not require the upgrade.

(b) You may not take any action to circumvent or defeat the security or content usage rules provided or enforced by the WM-DRM Software. Sirius is not responsible for the operation of the WM-DRM Software in any way, including without limitation, revocation of the WM-DRM Software’s right to copy, display, transfer, and/or play Secure Content. Sirius is not responsible for any communications to or from any Secure Content Owner, or for the collection or use of information by any Secure Content Owner.

5. OWNERSHIP. All title, ownership, rights, and intellectual property rights in and to the Software and the Documentation shall remain in the property of Sirius and its licensors. The Software includes Microsoft Windows Media Technology. The Software is protected by the copyright laws of the United States and international copyright treaties.

6. WARRANTIES. (a) Sirius warrants that for a period of 90 days from the date of your acquisition the Software if operated as directed, will substantially achieve the functionality described in the Documentation and will be free from defects in material and workmanship. This warranty shall immediately terminate if the Software is used on or in conjunction with hardware or software other than the unmodified version of Receiver which the Software was designed to be used as described in the Documentation, any modifications are made to the Software during the warranty period, if the media is subjected to accident abuse or improper use, and/or the terms of this EULA are breached. Sirius does not warrant that use of the Software will be uninterrupted or that the operation of the Software will be error-free or secure. Depending on manufacturer and model of your Receiver, you may or may not be entitled to upgrades of the Receiver Software. Please check your Receiver owner’s manual for further information.

(b) SIRIUS LICENSES THE SOFTWARE TO YOU “AS IS”, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW SIRIUS, ITS PARTNERS AND SUPPLIERS (INCLUDING MICROSOFT AND ZING) HEREBY DISCLAIM ALL OTHER WARRANTIES EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE AND THE DOCUMENTATION. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.

(c) Sirius’ sole liability for a breach of its warranties shall be in Sirius’ sole discretion: (i) to replace your defective media, (ii) to advise you how to achieve substantially the same functionality with the Software as described in the Documentation through a procedure different from that set forth in the Documentation and/or (iii) if the above remedies are impracticable, to refund the license fee, if any, you paid for the Software. Repaired, corrected or replaced copies of the Software and the Documentation shall be covered by the same limited warranty for the period remaining under the warranty that covered the original copy of the Software or if longer for 30 days after the date Sirius either provided you with the repaired or replaced copy of the Software or advised you as to how to operate the Software so as to achieve the functionality described in the Documentation, whichever is applicable. Sirius will be obligated to honor its obligations in this Section 6(c) only if you inform Sirius of the problem with the Software during the applicable warranty period and provide evidence of the date you acquired the Software.

7. INDEMNIFICATION. (a) You shall defend, indemnify and harmless Sirius, its officers, directors and employees, from and against any losses, damages, fines and expenses, including without limitation, attorneys’ fees and expenses, arising out of or relating to any claims that you have: (i) viewed, downloaded, encoded, compressed, copied or transmitted any in connection with the Software in
violation of another party's rights or in violation of any law, or (ii) violated any terms of this EULA and/or the Terms and Conditions.

(b) If you are importing the Software from the United States, you shall defend, indemnify and hold harmless Sirius from and against any import and export duties or other claims arising from such importation.

9. TERMINATION. (a) This EULA will automatically terminate without notice if you fail to comply with any of its terms

(b) This EULA may also terminate without notice to you in the event Sirius' or any of its partners or suppliers (including Microsoft and ZING) licenses for technology incorporated into the Software terminates.

(c) You may terminate this EULA at any time by providing Sirius with written notice of termination to: Sirius Satellite Radio Inc., 1221 Avenue of the Americas, 36th Floor, New York, New York 10020, Attention: My Sirius Studio/Stiletto Software Termination.

(d) Upon any termination of this EULA, you shall immediately discontinue use of the Software and shall within three days return Sirius, or certify destruction of, all full or partial copies of the Software, documentation and related materials provided by Sirius.

(e) Except for the license granted in paragraph 1, the terms of this EULA shall survive termination under this paragraph 9.

10. RESOLVING DISPUTES. In order to expedite and control the cost of disputes, you agree that any legal equitable claim (a "Claim") relating to the Software, the Documentation and/or this EULA, will be resolved as follows:

(a) Informal Resolution. You and Sirius will first try to resolve any Claim informally. Accordingly, neither you nor Sirius may start a formal proceeding (except for Claims described in Section 10(d)) for at least 60 days after one of us notifies the other of a Claim in writing. To initiate a Claim, you must send notice by U.S. mail to: Sirius Satellite Radio Inc., 1221 Avenue of the Americas, 36th Floor, New York, New York 10020, Attention: General Counsel. If Sirius initiates a Claim, notice will be sent to your address on file with Sirius.

(b) Formal Resolution. Except as provided in Section 10(d), if you and Sirius cannot resolve a Claim informally, any Claim either of you or Sirius asserts will be resolved only by binding arbitration. The arbitration will be conducted under the Commercial Arbitration Rules of the American Arbitration Association (the "AAA Rules") that are in effect at the time the arbitration is initiated and under the rules set forth in this EULA. If there is a conflict between the AAA Rules and this EULA, this EULA will govern. ARBITRATION MEANS THAT YOU WAIVE YOUR RIGHT TO A JURY TRIAL. If you initiate an arbitration, you agree to pay a fee of $125 or, if less and you notify Sirius in writing, the amount that you would pay to initiate a lawsuit against Sirius in the appropriate court of your state. Sirius agrees to pay any additional fee or deposit required by the American Arbitration Association in excess of your filing fee. Sirius also agrees to pay the costs of the arbitration proceeding up to a maximum of one-half day (four hours) of hearings. Other fees, such as attorney's fees, expenses, travel to the arbitration and the costs of a proceeding that goes beyond one-half day, will be paid in accordance with the AAA Rules. The arbitration will be held at a location within 100 miles of your residence unless you and Sirius both agree to another location. To start the arbitration, you or Sirius must do the following things:

(i) Write a demand for arbitration. The demand must include a description of the Claim and the amount of damages sought to be recovered;

(ii) Send three copies of the demand for arbitration plus the appropriate filing fee to: American Arbitration Association, 601 Pennsylvania Avenue, N.W., Suite 700, Washington, D.C. 20004; and

(iii) Send one copy of the demand for arbitration by U.S. mail to Sirius Satellite Radio Inc., 1221 Avenue of the Americas, 36th Floor, New York, New York 10020, Attention: General Counsel, or to your address on file with Sirius (if Sirius starts the arbitration).

(c) Binding Effect. In the arbitration proceeding, the arbitrator must follow applicable law, and any award may be challenged if the arbitrator fails to do so. The arbitrators shall not have the power, jurisdiction or authority to waive, amend and/or modify any of the terms or provisions of this EULA. The arbitrators shall enforce this EULA in accordance with its terms and provisions. Otherwise, the arbitrator's decision is final and binding on all parties and may be enforced in any federal or state court that has jurisdiction. A court may sever any portion of this Section 9 that it finds to be unenforceable.

(d) Exceptions. Notwithstanding the foregoing, any: (i) dispute over the validity of intellectual property rights or Sirius licenses to operate its business; (ii) Claim based on Section 2(a) above; and (iii) dispute involving a violation of the Communications Act of 1934, 47 U.S.C. §605, or the Electronic Communications Privacy Act, 18 U.S.C. §§2510-2521, may be decided only by a court of competent jurisdiction.

11. MISCELLANEOUS. (a) Notice. Notices to you will be deemed given when deposited in the mail or when sent by email. Notices
may be included in statements or other communications to you. Sirius may also provide notice to you by telephone, which will be deemed given when a message is left with you, someone answering the telephone at your residence or on an answering machine or voice mail system at your phone number on record with Sirius. Your notices to Sirius will be deemed given when Sirius receives them 1221 Avenue of the Americas, 36th Floor, New York, New York 10020, Attention: General Counsel.

(b) Applicable Law. The interpretation and enforcement of this EULA shall be governed by the internal laws of the State of New York. This EULA is subject to modification if required by such laws. Notwithstanding the foregoing, Section 10 shall be governed by the Federal Arbitration Act. You agree that the United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to this EULA.

(c) Assignment. Except as set forth in this paragraph 11(c), you may not assign your rights and/or obligations under this EULA to any third party. If you sell or otherwise transfer the Receiver as a whole, you may transfer the Receiver Software as fully integrated into the Receiver; provided that you also supply this EULA to the purchaser or recipient of the Receiver, at which time all of your rights under this EULA will immediately cease. Sirius may assign its rights and/or obligations under this EULA to any third party without notice for any purpose, including without limitation, in the event of an acquisition, corporate reorganization, merger or sale of substantially all of Sirius’ assets to another entity. You hereby consent to such assignment.

(d) No Waiver. No failure or delay on the part of Sirius, its partners or its suppliers (including Microsoft and ZING) in exercising any right, power or privilege hereunder and no course of dealing by Sirius, its partners or its suppliers (including Microsoft and ZING) shall operate as a waiver of any right, power or privilege hereunder.

(e) Other. This EULA constitutes the entire agreement between you and Sirius relating to your use of the Software and the Documentation. No salesperson or other representative is authorized to change it for you. If any provision is declared by a competent authority to be invalid, that provision will be deleted or modified to the extent necessary, and the rest of this EULA will remain enforceable.

12. THIRD PARTY LICENSES. The Software contains software, libraries and other tools provided by third parties, which are subject to the restrictions below.

The FreeType Project LICENSE
----------------------------

Copyright 1996-2002, 2006 by
David Turner, Robert Wilhelm, and Werner Lemberg

Introduction
============
The FreeType Project is distributed in several archive packages; some of them may contain, in addition to the FreeType font engine, various tools and contributions which rely on, or relate to, the FreeType Project. This license applies to all files found in such packages, and which do not fall under their own explicit license. The license affects thus the FreeType font engine, the test programs, documentation and makefiles, at the very least. This license was inspired by the BSD, Artistic, and IJG (Independent JPEG Group) licenses, which all encourage inclusion and use of free software in commercial and freeware products alike. As a consequence, its main points are that:

! We don't promise that this software works. However, we will be interested in any kind of bug reports. ('as is' distribution)
! You can use this software for whatever you want, in parts or full form, without having to pay us. ('royalty-free' usage)
! You may not pretend that you wrote this software. If you use it, or only parts of it, in a program, you must acknowledge somewhere in your documentation that you have used the FreeType code. ('credits')

We specifically permit and encourage the inclusion of this software, with or without modifications, in commercial products. We disclaim all warranties covering The FreeType Project and assume no liability related to The FreeType Project. Finally, many people asked us for a preferred form for a credit/disclaimer to use in compliance with this license. We thus encourage you to use the following text: Portions of this software are copyright © <2007> The FreeType Project (www.freetype.org).

Legal Terms
===========

0. Definitions
---------------

Throughout this license, the terms `package', `FreeType Project', and `FreeType archive' refer to the set of files originally distributed by the authors (David Turner, Robert Wilhelm, and Werner Lemberg) as the `FreeType Project', be they named as alpha, beta or final release.

`You' refers to the licensee, or person using the project, where `using' is a generic term including compiling the project's source code as well as linking it to form a `program' or `executable'. This program is referred to as `a program using the FreeType engine'.

This license applies to all files distributed in the original FreeType Project, including all source code, binaries and documentation, unless otherwise stated in the file in its original, unmodified form as distributed in the original archive.

If you are unsure whether or not a particular file is covered by this license, you must contact us to verify this.

The FreeType Project is copyright (C) 1996-2000 by David Turner, Robert Wilhelm, and Werner Lemberg. All rights reserved except as specified below.

1. No Warranty
---------------

THE FREETYPE PROJECT IS PROVIDED `AS IS' WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL ANY OF THE AUTHORS OR COPYRIGHT HOLDERS BE LIABLE FOR ANY DAMAGES CAUSED BY THE USE OR THE INABILITY TO USE, OF THE FREETYPE PROJECT.

2. Redistribution
------------------

This license grants a worldwide, royalty-free, perpetual and irrevocable right and license to use, execute, perform, compile, display, copy, create derivative works of, distribute and sublicense the FreeType Project (in both source and object code forms) and derivative works thereof for any purpose; and to authorize others to exercise some or all of the rights granted herein, subject to the following conditions:

! Redistribution of source code must retain this license file (`FTL.TXT') unaltered; any additions, deletions or changes to the original files must be clearly indicated in accompanying documentation. The copyright notices of the unaltered, original files must be preserved in all copies of source files.

! Redistribution in binary form must provide a disclaimer that states that the software is based in part of the work of the FreeType Team, in the distribution documentation. We also encourage you to put an URL to the FreeType web page in your documentation, though this isn't mandatory. These conditions apply to any software derived from or based on the FreeType Project, not just the unmodified files. If you use our work, you must acknowledge us. However, no fee need be paid to us.

3. Advertising
Neither the FreeType authors and contributors nor you shall use the name of the other for commercial, advertising, or promotional purposes without specific prior written permission. We suggest, but do not require, that you use one or more of the following phrases to refer to this software in your documentation or advertising materials: 'FreeType Project', 'FreeType Engine', 'FreeType library', or 'FreeType Distribution'. As you have not signed this license, you are not required to accept it. However, as the FreeType Project is copyrighted material, only this license, or another one contracted with the authors, grants you the right to use, distribute, and modify it. Therefore, by using, distributing, or modifying the FreeType Project, you indicate that you understand and accept all the terms of this license.

4. Contacts

There are two mailing lists related to FreeType:

- freetype@nongnu.org
  Discusses general use and applications of FreeType, as well as future and wanted additions to the library and distribution. If you are looking for support, start in this list if you haven't found anything to help you in the documentation.

- freetype-devel@nongnu.org
  Discusses bugs, as well as engine internals, design issues, specific licenses, porting, etc.
